EXPERIENCE

June 2023 - May 2024

UX/UI Designer, Medfastgo

- Designed and implemented user-friendly interfaces for web and mobile applications.
- Conducted user research and usability testing to enhance product experience.
- Developed wireframes, prototypes, and high-fidelity designs using Figma and Adobe XD.
- Collaborated with developers to ensure design feasibility and consistency.
- Improved user engagement by 30% through UI enhancements and accessibility improvements.

December 2022 - April 2024

UI/UX Designer, Nafuu Credit Limited

- Created interactive prototypes and wireframes to streamline the user journey.
- Led design sprints and collaborated with cross-functional teams to refine features.
- Conducted A/B testing and gathered user feedback to optimize UI components.
- Designed a responsive and mobile-friendly interface, improving usability across devices.
- Established a scalable design system for consistency across all digital platforms.
